UPDATED MANUAL

The *Rates, Rules, and Forms Manual* has been updated. It includes the July 1, 2003 rates as well as the rule changes involving the increases in the maximum limits, loss of use coverage, and loss of business income.

Your copy is enclosed on a CD. You may . . .

- Use the CD on your computer
- Load copies of the manual to the computers in your office or the office network
- Print out the manual so that you may have a "hard copy"

The manual is in a PDF format. A free copy of Adobe Acrobat Reader is included on the CD. This program will allow you to read and print the manual.

For further information, *please see the Read Me file on the CD.*
