HOMEOWNERS / FIRE DECLARATIONS REQUIRED Effective September 1, 2016

Effective September 1, 2016, the Association will require a current, in-force copy of the property policy declarations page as a part of the application packet for new and rewrite business. This includes dwelling, mobile home, and commercial business, as well as contents only policies.

This will apply to policies submitted September 1, 2016, and later. eApp will be updated to require submission of the declarations page.

For further information, please see Bulletin 2016-01 posted on scwind.com or contact an underwriter.

***** UPDATE *****

The Association will no longer be mailing bulletins to agencies. We will be using email to distribute bulletins to producers who have registered their email addresses.

Please share this bulletin with other employees who work with the Association.
