HURRICANE EARL

South Carolina Wind and Hail Underwriting Association

The current path for Hurricane Earl takes it past South Carolina, but there could be strong winds hitting the coast later this week.

In the event of a loss to an SC Wind insured, claims can be reported as followed:

- Producers can report claims by signing into www.scwind.com. On the Policy List, click on "Claim" and complete the form.
- Consumers can call the Claims Call Center at 1-800-236-1873. The Center is operational Monday to Friday from 8:00 am to 8:00 pm. On Saturday, the Center will be operational from 8:00 am to 5:00 pm.
- Producers can fax ACORD Loss Notices to 1-877-290-6844

The Association is NOT implementing the Single Adjuster Program. Report any flood damage to your flood carrier.

Pre-printed loss notices will not be distributed for Hurricane Earl.

Producers are reminded NOT to assign claims or attempt to settle claims.
