T. S. EMILY
***** UPDATE *****

The latest reports indicate that Tropical Storm Emily may minimally impact the South Carolina coast; however, there is the possibility of strong winds and beach erosion. Of course, the path and strength of a storm are subject to change.

In the event that some of your clients experience losses, please note the following

- The Single Adjuster Program has NOT been implemented. Report SCWHUA wind claims to the Association. Report flood claims to your flood carrier.
- Please describe the damage. "Roof missing" or "Many shingles gone." Please do not simply say "Wind Damage."
- Report all claims to the Association Office through the web portal www.scwind.com.
- The call center claims number is also active.
